Proposed land use was advised to be C3 and not C1.  An external passenger lift would likely be opposed.  The response concluded that Camden planning officers would not necessarily object to the principle of a roof extension in this location, but the assessment would have to be made against a detailed design.
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member  (c) related to a member of staff  (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
