2023/0160/P	Carol O'Brien	16/03/2023 10:51:36	OBJ	<p>I live in St Mark's Crescent and strongly object to yet more major construction work to a house in the street. It causes significant disruption - noise, dirt, horrible traffic problems - and seems a completely over the top alteration to a period house in a conservation area.</p> <p>When last year I applied for planning permission for a very minor, very modest, very careful alteration to the balcony at the back of my house the application was turned down because it altered the rear symmetry of the whole street as viewed from the canal. This would be far worse.</p>
