14-19 Tottenham Mews, London, W17 4QA

Planning permission 2020/5633/P

Dear Sir,

With regard to the Camden's requirement for a Professionally Qualified Chartered Engineer to be appointed and retained throughout the project set out in planning permission 2020/5633/P, we can confirm that we have been appointed as consulting Civil and Structural engineers by the owner of the property for the works associated with the planning permission.

We have been appointed for both the design and construction stages of the project and in accordance with our appointment, we will be making regular visits to the site throughout the works to monitor that they are being carried out in accordance with our drawings and specifications.

Your faithfully

Najib Sheeka

Director

MEng (Hons) CEng MIStructE
