2023/0424/P

Dear Sir/Madam

You may remember last year I objected to a planning application that was neighbour had applied for at 32 Hartland Road. 2021/6205/P It went to appeal and was refused.

I have just noticed a new application which is pretty similar 2023/0424/P. I cant see though any way to comment on this. Once again it is very high above my wall. Furthermore Id like to check if this is a standard application or a permitted development application?

Perhaps you can call me so we can have a chat about this. You were very helpful last time.

Many thanks
