Unfortunately no. 9 now has no garden.</p> <p data-bbox="880 346 1973 400">We object most strongly to the proposed terrace over-looking the street - totally out of character with the Conservation Area.</p> <p data-bbox="880 406 2018 461">We object even more strongly to the flashy glass railings proposed around the terrace - more reminiscent of an air-port than a Victorian suburb!</p> <p data-bbox="880 499 2024 584">The proposed plain brick box, in front of the no. 2 1/2's main facade and built up to the front boundary is also inappropriate in this Conservation Area and detracts from its character. Please refuse.</p>
