2023/0518/P	David Metz	23/03/2023 12:48:35	WREP	I live at 32C Laurier Road, the ground floor flat adjacent to the Church Hall. My back garden is separated by a fence from the side passage forming part of the Hall premises. The gate to this passage is at present continuous with the front elevation, but it is proposed to set this back, although to where is hard to judge from the plans submitted. For security, this gate should not be further back than the end of the side wall of my flat.
