2023/0871/A	Diarmuid O'Hegarty	22/03/2023 08:52:06	OBJ	<p>Dear Sirs</p> <p>This comment is an objection to part of the application and is made on behalf of CRASH, The Combined Residents' Associations of South Hampstead.</p> <p>CRASH objects to new signage being illuminated from behind. None of the shopfront signage on Canfield Gardens is illuminated from behind. This means that a new shopfront sign illuminated from behind would be out of character in what is a Conservation Area.</p> <p>CRASH would propose that the application be amended so that new shopfront signage not be illuminated from behind.</p> <p>It should also be noted that the measurements given in the Application Form are mistakenly described as metres rather than millimetres.</p> <p>Yours faithfully</p> <p>Diarmuid O'Hegarty Committee Member CRASH, The Combined Residents' Associations of South Hampstead</p>
