To: David Fowler

Subject: Objection: 2022/0528/P The O2 Masterplan Site Finchley Road
London NW3 6LU

Dear David,

We don't seem to have received your recent email notifications to prior objectors so I suspect that, although we are co-sponsors of the Confederation of Local Community Groups' combined Objection, it appears we have failed to be formally registered as Objectors: therefore please note our most vehement objections as explained within, and record us in the appropriate database for future information and notifications.

With many thanks,

Eric Bergsagel

Chair of CRASH

the Combined Residents Associations of South Hampstead
