**Subject:** Objection: 2022/0528/P The O2 Masterplan Site Finchley Road  
London NW3 6LU

Dear David,

Further to my recent email of a few moments ago on behalf of CRASH, please record my most strenuous personal objections to the proposed development of the O2 Centre Site, as recorded in detail in the consolidated Objection which has been submitted by the Confederation of Local Community Groups, and ensure I am recorded in the appropriate database for future information and notifications.

With many thanks,

Eric Bergsagel
