Elevation A-A
1:20 @ A1

Framework to be finished in oak with a plant on molding to create a paneled detail. Framework to be stained and polished medium oak.

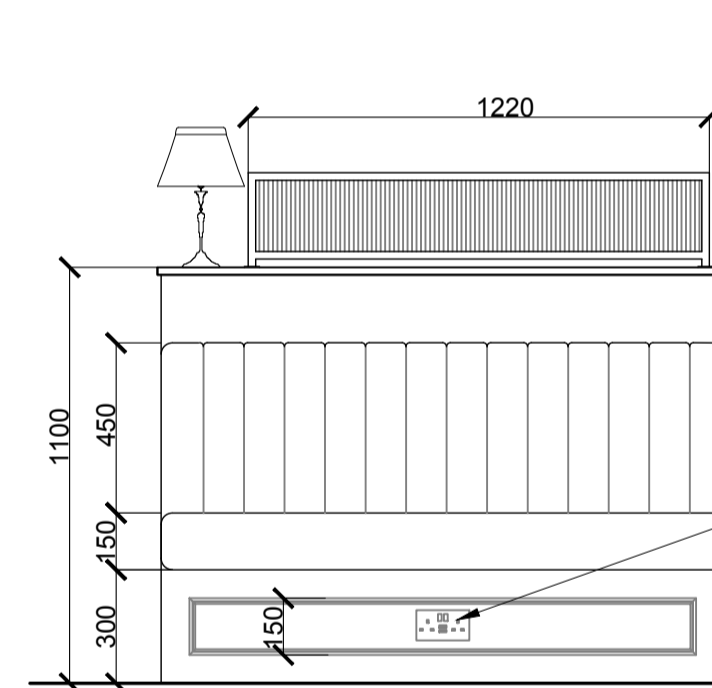

Plan
1:50 @ A1

Elevation B-B
1:20 @ A1

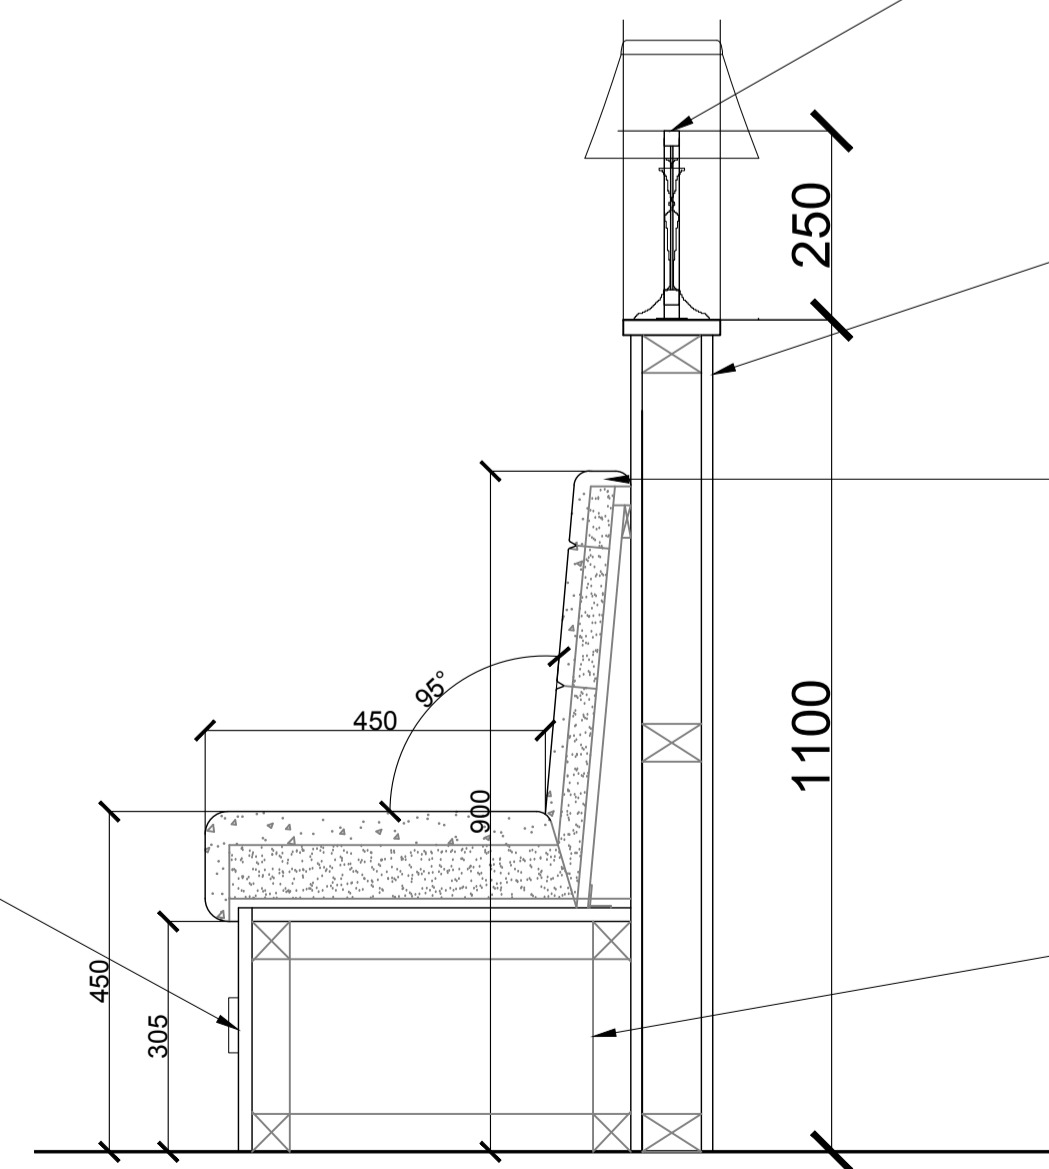

Framework to be finished in oak with a plant on molding to create a paneled detail. Framework to be stained and polished medium oak.

Elevation C-C
1:20 @ A1

Allow for new antique brass USB sockets fixed back to timber kickboard.

Feature screens to be formed from approx 20mm square halo section mild steel with an antique brass effect. Allow for glazed inserts and feature lighting to also be fixed to timber capping.

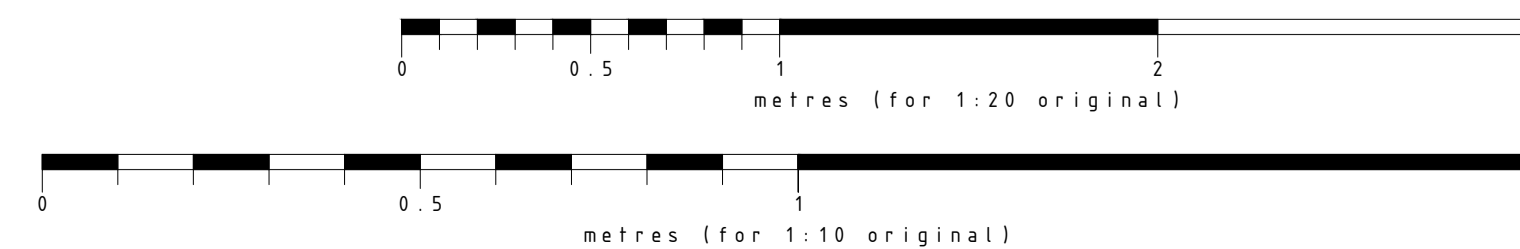

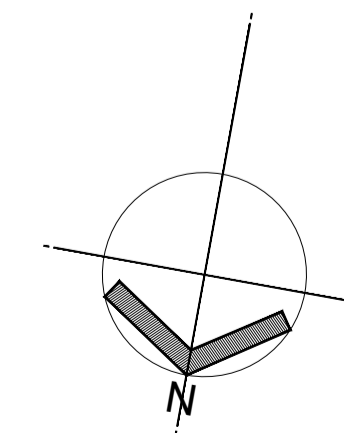

Section D-D
1:10 @ A1

Framework to be finished in oak with a plant on molding to create a paneled detail. Framework to be stained and polished medium oak.

New booth seating with fluted back and plain pad. Allow to box out underside of seating to allow for customer plugs with beaded panels detail inline with style of existing wall paneling.

Allow for new antique brass USB sockets fixed back to timber kickboard.

Seating to be formed from suitable softwood blockwork and foam. Allow for fluted detail to seat back and plain seat pad. Care should be taken that existing skirting and dado is not disturbed when fitting the seating.
