**Subject:** Eileen W: comments on tree planning applications for Dart Park 31/3

Dear Planners and Tree Officers,

List 728

2022/4025/T

T1-T11 Parliament Hill School Front of school and T12-19 at rear.

I have read the site report from Principal Trees Limited. I understand that their site inspection has to result in trees work that will ensure the safety of pedestrians; namely school children, staff and visitors to the school. Therefore, I do not object to the three dead tree fellings or any of the crown reductions, crown liftings, removal of dead wood or planned re-inspections.

List 729 (739)

2023/1046/T

1 Chetwynd Road

No objection to the work on this Lime tree (T2), including the removal of its epicormic growth.

2023/1058/T

3 Chetwynd Road

No objection to the repeat maintenance work on this Sycamore (T1).

List 730

2023/1188/T

Flat 6, No 4, St Alban's Road

No objection to the regular maintenance work on the Indian Bean tree.

2023/1197/T

19, Grove Terrace

No objection to the removal of the lower two branches of this Indian Bean (*Catalpa bignonioides*) tree.

2023/1207/T

86 Chetwynd Road (applicant from 17 Spencer Rise)

Suggest reverse lintel at base of crack in wall to stabilise it, together with crown reduction and regular maintenance of the tree in the future. However, if you do decide to fell this healthy tree, please ask that it is replaced by a smaller tree with regular maintenance.

Thank you,  
Eileen
