The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and

Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: 2022_12_12 - Euston House - Planning Statement and Covering Letter, H582-HUT-ZZ-17-A-DR-E0412-Existing Seventh Floor Terrace Sections-A, H582-HUT-ZZ-17-A-DR-E0170-Existing Seventh Floor Plan (Planning)-A, H582-HUT-ZZ-ZZ-A-DR-E0303-Existing East Elevation - Church Way (Rear)-A, H582-HUT-ZZ-ZZ-A-DR-P0303A-Proposed East Elevation - Church Way - (Rear)-A. Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

- 4 The roof terrace hereby approved shall not be occupied outside the following times: 09:00hrs to 22:00hrs.

Reason: To ensure that the amenity of occupiers of residential properties in the area is not adversely affected by noise and disturbance in accordance with the requirements of policies A1 and A4 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission.

The scheme involves creation of a roof terrace with metal railings on the existing rear flat roof of the site at seventh floor level. It is considered to represent a minor alteration that would not have significant impact on the character and appearance of the host building, which is locally listed, or of the surrounding area.

The proposed rear balcony would share the same outlook as the existing rear windows of the building and is not considered to exacerbate current levels of overlooking to neighbouring residents nor would it result in a loss of light or outlook, due to the acute sightlines involved. A condition is included restricting balcony access to 09:00 - 22:00hrs to prevent anti-social noise nuisance.

No objections were received following statutory consultation. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposal is in general accordance with policies D1, D2 and A1 of the Camden Local Plan 2017. The proposed development also accords with the policies of the London Plan 2021 and National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
