Kate -

I believe the original artist/photo/impression from 2017 submission - shows a regular spacing of FINS & with a clear left margin at the junction with No. 16 RM. & would be far better than the irregular groupings in the latest - Details of Cladding Application.. It looks better in design terms & although I believe it to be in the wrong setting adjacent to traditional London Stocks for the remainder of Railey Mews NW 5. -: SC.
