

SW01 Rayne Institute, University Street

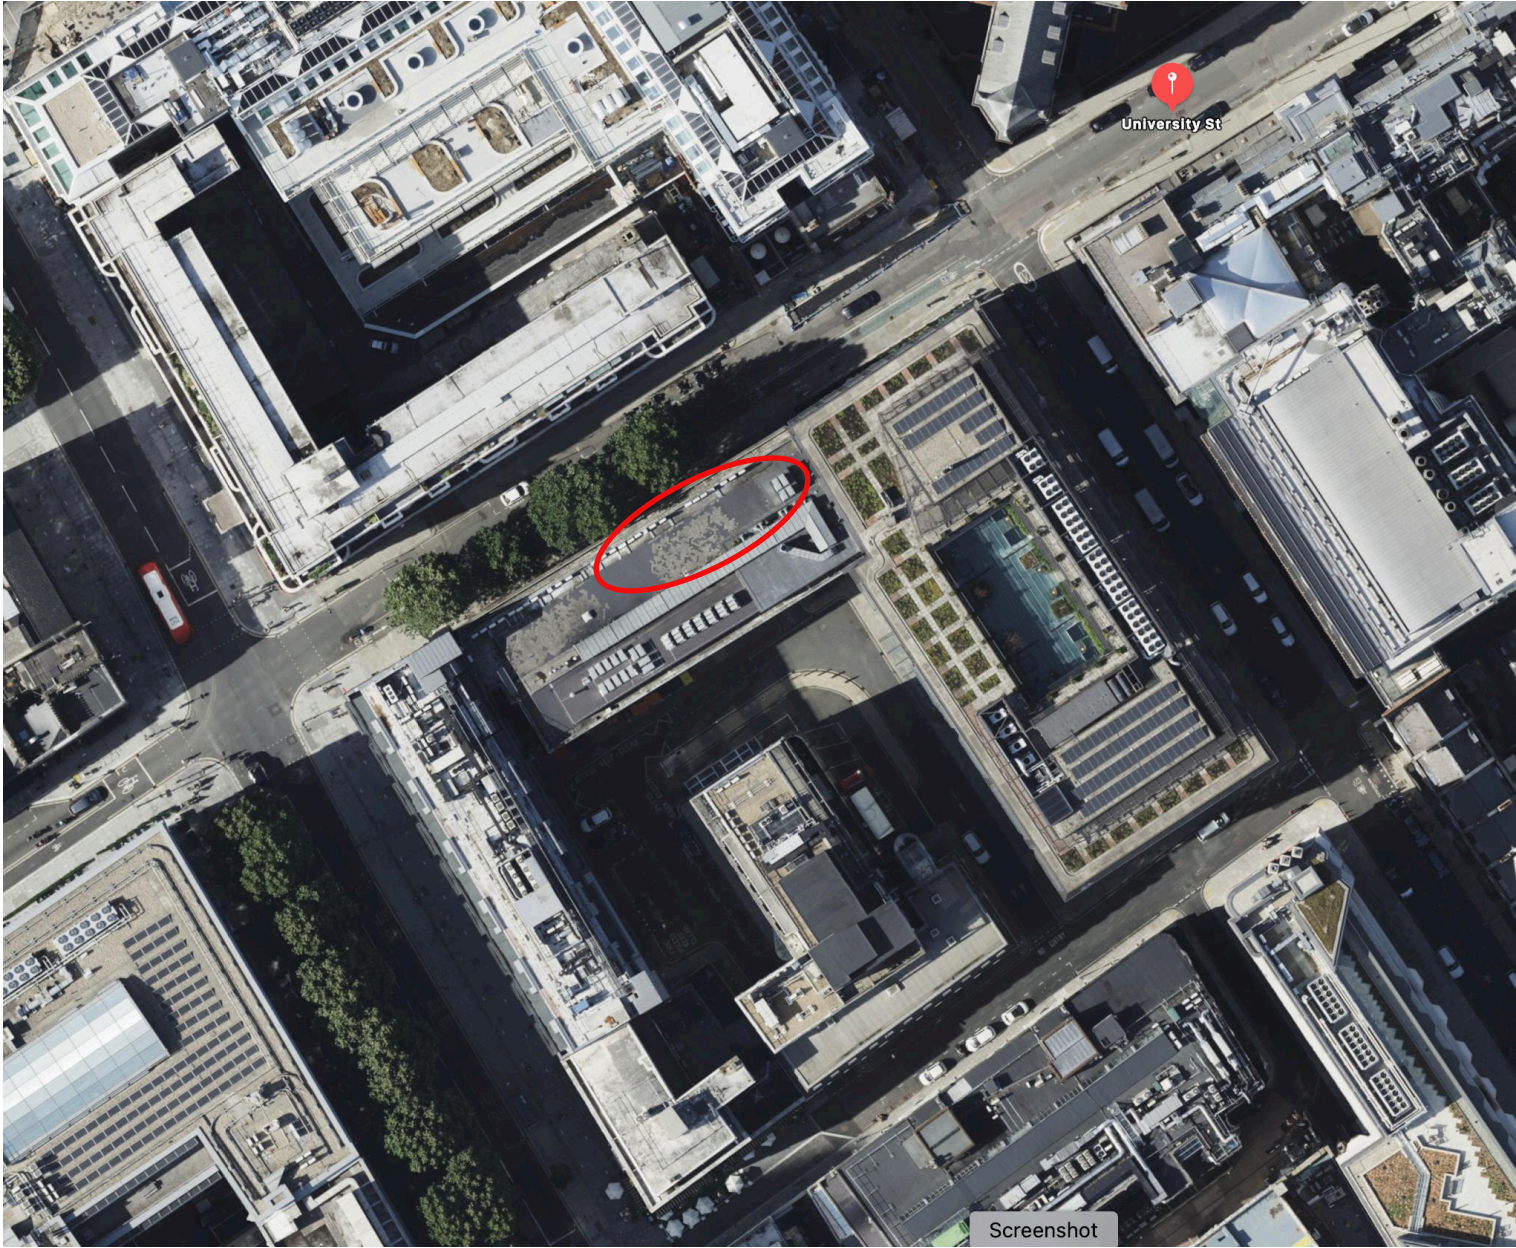

External views from University Street, sourced from Apple Maps

Project Summary

Refurbishment of internal space to create new office and meeting room. New supporting M&E services.

Planning Implications

The only external changes are the replacement of existing condensers mounted behind parapet wall on roof, adjacent to plant room.

Aerial View, sourced from Apple maps. Red oval highlights area shown in photos on right

Right - rooftop views showing the extensive numbers of existing condensers/heat pumps. The pitched roof is the plant room.
