Hello,

Please can the below email be uploaded to M3 and Trim as a consultation response to the above application.

PLEASE REDACT the objector's address for Trim as per her request. I've checked with Neil and he is happy for us to do this as comments received through the website also don't show their addresses when uploaded to Trim.

Thanks,

Charlotte Meynell

Dear Charlotte Meynell

Re: objection to Building Application 2023/0113/P

I am writing to you directly as I value my privacy and do not want to risk putting my address online but I am objecting to the change of use for **13 Princess Road, NW1 8JR**.

There are very few services around Princess Road and Diana Milner Garden Design have done a wonderful job, as long as I can remember, in ensuring that the street looks attractive but most importantly, servicing the needs of a huge number of local residents. Simply because a property developer thinks they will make more money by converting the shop into a private residence does not seem to me a good enough reason to throw out a long-standing and useful business so I hope the Council will take the needs of the local community into account when they make this decision.

Thank you for your time.

With best wishes

Gail Rebuck

Baroness Rebuck, DBE
