Hi there,

I wish to object to the above application in the strongest possible terms. Camden Market is not a 'theme park'. It's bad enough that that horrible 'Babylon Park' is included as part of the Hawley Wharf scheme but a Ferris Wheel is going way too far. London already has a viewing wheel with the London Eye and doesn't need another.

I originally moved to Camden Town in 1980 and have been living here (on and off since (this time for over 12 years). I love this place but the amount of redevelopment is turning the Market into a 24/7 tourist attraction that is unfit and inappropriate for local people.

Regards,
