Subject: Letter re Notification of intended Works to Trees in a Conservation Area

Dear Madam or Sir

Thank you for your letter of 3 April re the Cherry Tree (T1) in 58 Aberdare Gardens back garden.

We are sorry that you are questioning its presence as damaging as the sight of it is delightful and neither is it very large. Apart from the attraction of wonderful birdlife and the beauty of it we remain puzzled by this application as so many Cherry Trees are in evidence in front and back gardens in much closer proximity to houses than this particular tree.

Please think it over with considerations of conservation and all that trees like this mean to us.

Thank you for writing to us and apologies for delay as we have been away.

Yours sincerely,

Yvonne Klemperer
