2023/0655/P	Giuseppe Marchese	15/04/2023 18:58:29	OBJ	The Proposed Plans (Elevation, Section) shows the extension about one meter above the existing boundary wall with 132 Belsize Road which is my property. The direct sunlight I receive in my back garden and lower ground floor comes in the afternoon from the West over 134 Belsize Road. Therefore, the proposed height of the extension will block the only direct sunlight I receive. I require the height be lowered to equal or below the height of the boundary wall. I have a Right to Light. Thank you
