2023/0719/P	Jennifer Lovell and Andrew Hickson	17/04/2023 09:08:46	OBJ	We wish to object to the proposed rear extension included in the proposal. The current proposal would extend the party wall by some 80cm high and 250cm in length, which would cut a significant amount of light to our main living area (kitchen-dining room) and our small garden, removing a significant amenity from our home overall. We would be happy to consider a significantly changed and less detrimental plan.
