Subject: Re:application reference 2022/3853/P objection

Dear Sir/Madam

My name is Mena Charlick and I live at 56 Hawley Road, NW1 8RG.  
I object to the application number 2022/3853/P on the grounds of:- The proposed wheel to have a harmful impact on the regent canal, will create more noise, rubbish and anti- social behaviour and also an invasion of privacy on the local residents.

Yours sincerely

Mena Charlick
