Dear Council,

I am most interested in showing your team my 100% support and backing of the new redevelopment in Camden Market. I have had a business in this Market for many years, it has become my home, and it has been an absolute pleasure to be part of such a fantastic community, I could not imagine doing business anywhere else. Camden has been such a big part of my life, and this is where my business started and grew. I am forever grateful for the opportunities Camden has given me. The redevelopment will help us to bring more footfall, opportunities and interest to the Market. I fully support the new development and am excited for the future and new beginnings of what this scheme will bring us all.

I would genuinely appreciate it if Camden Council could support us as a trader, has been many years.

Kind regards
