**Subject:** CAMDEN MARKET APPLICATION -2022/3853/P

Dear Camden Planning Team.

My name is Dotan Zegerman, and my company Zegereman Ltd got a unit (number 69)

At the west yard in Camden Lock. (trading in Camden now for 20 years !).

As a tenant in the area which will be affected by the planning application

Mention above,

I would like to show my FULL SUPPORT for the application put forward to you by Labtech.

This application is a breath of fresh air,

And will rejuvenate a run down and a neglected area of the market !

As a trading tennant in that specific area , i think that the proposed opening

Of the DEAD DOG BASIN will give a massive boost to the whole market !

The new attractions which are suggested are exciting ,

And will also attract certain people who usually not incline to visit the market.

This proposed plan will result in a better footfall,

A more varied clientele, and a big boost to our trading.

(and for the whole of Camden ).

Sincerely,

Dotan Zegerman

ZEGERMAN LTD

(unit 69, west yard Camden Lock).
