Drawing Nos:

Drawing Nos: 2023/80/6M/01 and 2023/80/6M/02

The Council has considered your application for prior approval for the erection of a rear extension on the site and **it is not required in this instance.**

Informative(s):

- 1 This written notice indicates that the proposed development would comply with condition A.4 of Schedule 2 Part 1 Class A of the Town and Country Planning (General Permitted Development) Order 2015. It is important to note that this written notice doesn't indicate whether or not the proposed development would comply with any of the other limitations or conditions of Schedule 2 Part 1 Class A. If you want confirmation that the proposed development would be lawful (e.g. on the basis that it would comply with all

of the limitations and conditions of Schedule 2 Part 1 Class A), then you should submit an (optional) application to the local planning authority for a Lawful Development Certificate (LDC).

- 2 It is a requirement of the above condition A.4 that the development shall be carried out in accordance with the information that the developer provided to the local planning authority, unless the local planning authority and the developer agree otherwise in writing.
- 3 It is a requirement of the above condition A.4 that the developer shall notify the local planning authority of the completion of the development as soon as reasonably practicable after completion, and that this notification shall be in writing and shall include (a) the name of the developer, (b) the address or location of the development, and (c) the date of completion.
- 4 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 5 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

- 6 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

Yours faithfully
