Hello,

I'm writing to object to planning application 2023/0446/P. (Unfortunately I missed the window to comment online as I am just learning about the application.)

I own Flat 8, 1-6 Pratt Mews, which is directly across from Units 8-9 Pratts Mews, where the proposed extension would be built. This roof extension would block light coming into our property. I am also concerned about the precedent that would be set in allowing roof extensions to buildings on Pratt Mews, which is part of a conservation area.

Thank you for your attention,

Kate Jacobs
