Dear Mr Kresovic,
Camden is known for its rich culture and diversity but this has been lost since the pandemic. Being a local resident with children, I don't want the market to lose its values and I don't want it to be forgotten. These plans are amazing and I feel the younger generation will definitely benefit from this, especially the wheel – it looks great!
I am really looking forward to seeing this come to fruition.

Kind regards,

Omer Cohen
