We strongly oppose the Ferris Wheel installation in Camden Market, as it's size and noise caused by it being a drawing point for noise making crowd will affect all residents living around and change the quality of our building as a lovely sophisticated Henson residential listed building. We all feel very strongly about this unsuitable addition to our area. Camden market has enough drawing points for tourists and citizens as it is and dose not

need cheap additions to its unique character.

Boris and Iris Ivesha

The Henson flat 46
