To whom it may concern,

I am writing in response to a building application submitted for Number 8/9 Pratt Mews (reference 2023/0446/P).

I would like to firmly object to this proposal, as I know many of my fellow owners and occupants of 1-6 Pratt Mews have.

The planned building works would have a devastating effect on our flats, blocking out light in what is already a small and built up mews.

This building work is also disproportionate and unsightly within a conservation area that houses a tight knit community. Overdevelopment and a lack of light will drive our families like mine.

Please do not allow this to go ahead. I would ask that you keep me informed of any progress to this application.

Kind regards
