

Planning reference number: **2022/3853/P**

Letter of support

Dear Alex Kresovic,

My name is Sam Jones, and I am the Managing Director of Junkyard Golf Club, a competitive socialising leisure brand, employing over 350 people across the UK.

I am writing to register my support for the planning application reference 2022/3853/P.

We are currently investing over £3million into a new venue in Camden, which is programmed to open in July and will create circa 150 new jobs. This venue will offer an all-day experience of crazy golf in an immersive, fun environment, providing entertainment for all ages and walks of life across the week.

The development of this area and the improvements made in the offering, making the area a safer and more rounded guest experience, were key factors in choosing Camden as the location for our next site.

I believe that the proposed project will continue these improvements and further elevate the offering, bringing benefits for residents, local operators and visitors alike.

I wholeheartedly support this application and hope that it is granted.

Kind regards

Sam Jones
