[REDACTED]

For the attention of Nathaniel Young

Dear Mr Young

I am writing on behalf of the Netherhall Neighbourhood Association (NNA).

The NNA strongly endorses the five responses to this application shown on the planning portal in objecting to:

- the lack of consultation
- the noise and location of the heat pumps
- the location of the waste bins
- the removal of mature trees

I apologise for this very late submission, for unavoidable reasons, but I hope it can still be taken into consideration. I very much hope it will be possible for there to be a proper consultation with the residents of Imperial Towers and their professional representatives to resolve their concerns.

Kind regards
Jenny White
NNA Chair
