My name is Nexhmije Hasaj of flat 3 251-259 Camden High Street NW1 7BU . I have lived in Camden with my family over 14 years . I write to you to express my support for the redevelopment of the West Yard at the Camden Market. It has been evident in last few years, the changes that have happened at the area, our local Camden Market is much safer, cleaner and secure. With the opening of Hawley Wharf there are more areas for the local residents to go to . The observation wheel will bring additional foot fall , which will help the independent businesses, which are vital for the area. If you need further support please do not hesitate to contact me either by post or email me on [REDACTED]

Kind regards.
