Dear All

I am jerome drean from 3 hawley street nw1 8by  
I would like to object to the wheel

- 1\_ direct view into my house lounge namely
- 2\_ camden is already overloaded with tourists why increase further?
- 3\_ preservation is the key to long term success

These wheels seem to stay forever so better avoid at start

Why not put the wheel in primrose hill park hence increasing the flow there
