Subject: Ref no: 2022/3853/P opposition to the wheel

To whom it may concern,

I am emailing to notify my objection to the ferris wheel being built in Camden Market. (Reference no: 2022/3853/P).

The wheel is likely to increase the size of crowds which will cause even further strain on roads and transport. Furthermore, the wheel will be an eyesore ruining an area famous for its cultural history. Finally, the wheel will result in a loss of privacy for those living around it.

Yours faithfully,

Miss Mayon-White
