Subject: Camden Market Improvement Development - 2022/3853/P

Dear Alex Kresovic,

I am a local resident of Camden Town and I am in support of this proposed project in Camden Market. Being the resident in this area, I am particularly interested in the proposed plans to redevelop the market hall and West which was awaited.

With these changes I have no doubt in my mind that the footfall will increase whilst allowing market goers to move around more freely and have more access to shops that in previous years they may have walked past due to the congestion and lack of patience to explore the market properly.

Alongside the points I noted above, I also think that this development will encourage new businesses to come to the area which in turn will create new job opportunities for the local residents

Many thanks
