Good afternoon/To whom it may concern,

I recently been made aware of the proposal of a giant Ferris wheel being erected in the Camden market area, as a Camden resident living very close to the market area I am totally opposed to this happening

I do not wish to be overlooked into my property or have to fight through the extra crowds of people on my way home from work, this area is all already very overcrowded and this would make this area unbearable

I hope the commercial owners of Camden market will reconsider this proposal and see that this should not go ahead

Kind regards
Julie looney
