Reference: PLANNING APPLICATION NO 2023/1201/P

Change of use from Gymnasium (Class E(d)) to Higher Education (Class F(a)), Erection of a single storey upwards extension, new facade, lift overrun, alterations to window arrangements and internal layout with associated cycle and refuse storage. Applicant: The British Academy of Jewellery; Agent: UPP Architects + Town Planners.

I write in connection to the above planning application.  
I have examined the plans and wish to object strongly to the development as set out in the application and specifically with regard to the single storey upwards extension, which will have a significant detrimental impact on the residential amenity of the properties located to the west of the application site, of which I am the freeholder, 1-2 Nordic Mews and 3 Nordic Mews.

I will be following up on this objection in more detail, within the next 48 and if this application is to be decided by councillors, please take this as notice that I would like to speak at the meeting of the committee at which this application is expected to be decided upon. Please let us know as soon as possible the date of the meeting.

Yours faithfully,

Susanna
