Details of the pre-application advice received

This pre-application advice focussed on the amended design whereby the proposed basement would extend into the garden by 10.3m (reduced from 14m) and the rear lightwell was removed. The officer stated that the proposed basement extension is acceptable in principle, and that it is subordinate to the existing dwelling and therefore its scale is also considered acceptable. Regarding the proposed skylight, it was noted that this would be close to the building and not introduce light spill deep into the garden and therefore is acceptable.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
