Subject: Ferris wheel Camden Lock

I would like to record my objection to the proposed ferris wheel in Camden Lock?

There are already far too many things in and around Camden Lock aimed solely at tourists. The arrival of Babylon park has had a very negative effect on the area causing a great deal of unwanted noise and rubbish around the open space immediately opposite it.

A ferris wheel would make the problem even worse. As a resident I strongly object to any more gimmicky things aimed solely at the tourist market.

Camden council seem to forget that this is a residential area and that they have an obligation not to blight the lives of its residents, The people who pay the COMMUNITY CHARGE

Please consider the negative impact this ferris wheel would have on the lives of local people.

Magda Segal
