I am opposed to the Ferris wheel because:

- 1 Harmful impact on listed buildings in a Conservation area.
- 2 The wheel will be 40 metres tall allowing people to look into residents homes resulting in loss of privacy.
- 3 The impact of larger crowds in an area which is already crowded enough and will put a strain on roads and transport.
- 4 We agree with the Metropolitan police that more visitors will increase potential crime levels in the area.

We do not think this is a good idea on any level.

Sincerely,
Camden Resident
