To Camden Council

Dear Mr Kresovic,

I am a tenant in the Units 606 and 607 in Stables Market, I would like to show my support and interest in the redevelopment scheme. As a business owner who has been trading in this Market for more than 8 years, we have experienced ups and downs, since covid, this has drastically decreased the footfall in the area and although things have picked up, we are still somewhat struggling to get back to the times of pre-covid.

I believe that the redevelopment will really help us, and will increase the footfall in the market. It will bring new and positive attention to the Market, along with many more job opportunities for those who are still struggling to find one. The ferris wheel and opening of the Dead Dog Basin will allow people to see new sites and access parts of Camden no one has been able to access before.

As a trader, I highly welcome this redevelopment and I am in full support of this. Please consider our businesses and livelihood.

My details are George Garcia, Sweyn Forkbeard Units 606-607, please feel free to contact me anytime.

Thanks and Regards,

George G.
