Subject: 2022/3853/P Camden Market

Dear Planning Officer

I am writing to object to the above proposal. Camden market is too small a space to accommodate this fairground attraction and the market is already overcrowded and rubbish strewn from too many visitors. The site and surrounding buildings are listed and should be respected for their historical significance not developed into a theme park. The London Eye is not far away and tourists who want this kind of experience can travel there easily. People living near to the market do not need or want people peering into their homes.

Please reject this application.
