2023/1477/P	Gary Yeo	05/05/2023 10:30:57	SUPNOT	<p>I am writing in support of the proposed change of use of Nos 42 and 43 Queen Square from education to medical use.</p> <p>Camden's local plan supports the concentration of medical institutions (among others) within the Knowledge Quarter. The change of use and successful conversion of the site to a radiotherapy treatment centre will bring significant benefits to the local economy and contribute to the provision of high quality healthcare to patients on the NHS.</p> <p>Furthermore, the current owners are a charity, and allowing them to change the use in order to maximise the income they receive will enable them to provide more grant funding to enable wider access to the arts, which is badly needed.</p>
