PLANNING

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres unless noted otherwise. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. The Architect must be notified of any discrepancy. Boundaries are indicative only and are to be verified by others. Where building components are described in the specification as Descriptive Specification - (Contractor Design) elements shown on this drawing pertaining to those components are to be read as "Issued for Design Intent only".
