Dear Planning

I am opposing the application to erect a Ferris wheel in Camden Lock. This is an historic and listed area and a wheel will be out of keeping. It is another tourist themed attraction and offers nothing for the local community. Camden Market will be turned into a theme park – with rides – rather than unique experiences. The wheel will be intrusive and invade the privacy for near by residents as visitors will be able to see into their homes.

Please oppose this application.

Kind regards

Catherine Colley
