Subject: Proposed Camden Ferris Wheel

Your ref: 2022/3853P

Dear Camden Planning,

I wish to object most strongly to the proposed Camden Market Ferris Wheel. The area cannot cope with the massive number of visitors as it is and a Ferris Wheel would make the problem far worse.

Added to that it would seriously impact on the area's appearance and the privacy of the many local residents.

It will also put a strain on the already clogged local roads and public transport that can hardly cope anyway.

Please reject this application for the sake of not just everybody that lives in Camden Town but for the borough itself.

Yours sincerely,

Ken Pyne
