### **Description of the Proposal**

Please note in regard to:

- Fire Statements From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or access the fire statement template and guidance.
- **Permission In Principle** If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u>.

#### Description

Please describe details of the proposed development or works including any change of use

Erection of outbuilding at 7 Canfield Gardens - Flat 1

The proposed building is single storey with a flat roof and with a 14.04m2 internal footprint is relatively small scale in the garden of the apartment at 7 Canfield Gardens (Flat 1)

The new building delivers a premium aesthetic with the combination of grey aluminium glazing and western cedar wood, therefore improving the general features of the garden and the view for onlookers/residents.

The building will be single-storey with a height of 2.5m and a flat roof with the location at the rear of the garden, spanning full width

The garden room will provide essential additional space for the owners, allowing them extra space for relaxation and hobbies, with separation from the day-to-day hustle and bustle of the apartment

Materials will be as follows:

- · Foundations: Screwpile foundations
- · Structure: Pre-designed timber frame panels
- Roof: Single-ply EPDM rubber membrane
- Insulation: 70mm in the floors and ceilings and 50mm in the walls
- · Exterior cladding: Timber-clad in Western Red Cedar with powder coated aluminium grey facias
- · Door and window frames: Thermo-efficient, double-glazed doors with aluminium powder coated frame and windows

The proposal comprises sustainable development, as well as complying with national and local planning policy.

On the basis the garden room will add significant enhancements to the home life of the family at 7 Canfield Gardens (Flat 1), and improves the aesthetic of the garden for local residents, we request this application is approved.
