Dear Mr Kresovic,

I wish to express my interest in the Camden Lock Market redevelopment scheme.

I am a high street trader in unit and one of the reasons that I have decided to stay in the high street is because of the redevelopment scheme. There are obvious benefits from this scheme, the face lift of the west yard is something that has been needed for years, not only will it reduce congestion, but it will also give new opportunities to businesses like mine to become more busy.

I hope that we will make this happen and grant them permission D Neto
