Dear Mr Kresovic, I wish to express my interest in the Camden Lock Market redevelopment scheme as I have been a resident of Camden for couple of years now.

The most beneficial part of this project is the Young people an the alternatives that they will be able to find in Camden Market will have a huge POSITIVE impact to all I also think the opening of the dead dog basin is very significant – this has never really been accessible for visitors and as a Camden resident, by bringing this in it brings a new interest into the area.

I also think the planned use of the basin is really exciting and I'm sure creatives in the area will welcome this.

Kind Regards

Luca
