To the responsible and person in charge of Camden Council application Department

I am millennial and I am living in Camden Town Area, I love to spend time in Camden Market and in the Camden Area as well

I strongly believe that the 40meters Ferris wheel will look amazing and it will help us millennials to have a better time in the Market but also find a job, as I would love to work in Camden Market the vibe, the multicultural environment and the diversity of it, it is just wonderful

I strongly and highly welcome and support this development and I am in full support of this.

Please consider my email for the support.

Regards
Diego
