178b Royal College Street, Camden and Arch 73

Issue 1: 17-05-22

1.0 INTRODUCTION

This application seeks permission for signage to the frontage at no. 178b Royal College Street.

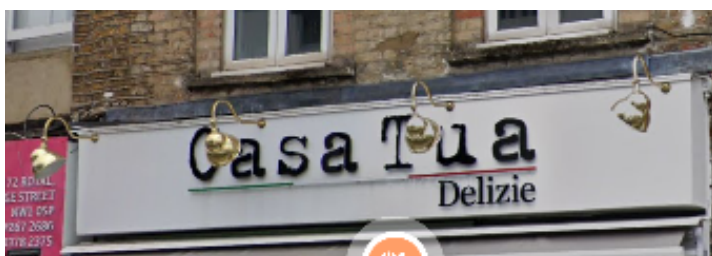

Existing frontage (taken from Google street view)

2.0 PROPOSALS

The proposals include a fascia sign running over the entrance. This is proposed to be in fret-cut metal, with halo lighting from behind. This is to be mounted on the painted timber fascia.

A projecting sign is also proposed. This is to be in timber, supported on a metal bracket. The logo and lettering is to be painted on. It is proposed this sign is externally illuminated from above.

3.0 LOCAL EXAMPLES

Examples of local signage (taken from Google street view)

4.0 SUMMARY

The proposed signage is in keeping with other signage in the local area and will improve the existing frontage.
