Dear Council,

It is with my greatest interest to show your team my 100% support and backing of the new redevelopment in Camden Market. I have had a business in this Market for many years, it has become my home, it has been an absolute pleasure to be part of such an amazing community, I could not imagine doing business anywhere else. Camden has been such a big part of my life and this is where my business started and grew. I am forever grateful for the opportunities Camden has given me over the years. I truly believe that the redevelopment will help us even more, to bring more footfall, more opportunities and in general more interest to the Market. I am in full support of the new development and excited for the future and new beginnings of what this scheme will bring us all.

I would truly appreciate it if Camden Council could support us traders.

Thank you
